- 2021 -

LAUGARDALSHÖLL / 4.-5. NÓVEMBER

## THE COMMERCIAL KITCHEN 2021

Dear managing director / marketing manager,

**Companies** that participate in the **THE COMMERCIAL KITCHEN 2021** in display stands are provided with the opportunity of **inviting customers according to their own wishes**. The main target groups of the exhibition are: *schools, workplaces, institutions, hotels, the catering sector, fast food restaurants, bakeries, commercial kitchens and the food industry*. This is, therefore, an attractive option for those who market goods or services in those fields.

The public is not invited to the exhibition. Price per square metre at the exhibition is ISK 19,500 VAT not included - which must be regarded as a fair price. There is no fee for attending the exhibition.

**Time and location:** The conference will be held Thursday and Friday 4.-5. November 2021 at Laugardalshöll Convention Center. Opening hours are 12.00 until approx. 18.00.

**Promotional literature:** On the occasion of the conference a professionally designed and convenient printed guide will be distributed among visitors to the conference. Participants will have the option of advertising in the guide.

**Display systems:** Of course companies can choose whether to bring their own display system or select a different type of system. For those who wish to avail themselves of display systems from Sýningarkerfi h.f. with a fully installed stand marked with the company's name on the front and equipped with lighting please contact syning@syning.is. If a different setup is desired, please make timely contact with Guðni syning@syning.is (tel. 897 1577). It is also important that those who bring their own display systems contact Guðni to preclude the occurrence of technical problems.

There is no doubt that **THE COMERCIAL KITCHEN 2021** presents a **unique opportunity to promote goods and services on the commercial kitchen market**.

With best regards Ólafur M. Jóhannesson, 698 8150 olafur@ritsyn.is
